

## **PRIVACY POLICY**

Innovision is committed to protect the privacy and security of your personal information. The information collected from you during registration is used for the purpose of identifying you and improving your experience on our site.

When you register, we collect information like name, email id, phone number, credit card/ debit card/ net banking details and other such details. All the monetary transactions are also recorded. You may, however, visit the site anonymously and with discretion.

## **PURPOSE OF COLLECTING INFORMATION**

All the information that we collect shall be used for one or more purposes, as listed below:

- Your information and remarks are important to us as they aid in personalizing your experience on our site.
- Your feedback is handled very carefully in order to find and resolve issues pertaining to the website and thereby improve your web experience.
- Our privacy policy assures you that any information, public or private, would not, under any circumstances be sold, exchanged or transferred without your consent.

It shall be used for the rapid purpose of delivering the purchased product or service requested.

- Identification Information shall also be used to organise events, competitions and online polls.
- You shall be sent informative emails updating you with the latest details of our fest, via the email addresses that you register using.

If at any point you wish to stop receiving the mails, you can opt to unsubscribe for the same.

## INFORMATION PROTECTION POLICY

We regard your information with utmost concern. In a bid to protect your information, we implement a variety of security measures to maintain the safety of your personal information. All the data you enter on our website is protected using the secure server architecture for end-user interaction. Sensitive credit information as well as transaction details and steps shall be conveyed to you by Secure Socket Layer (SSL) technology which is then encrypted at our payment gateways. This is accessible only by the authorities trusted by our processing partners, who are, at all times required to keep the information confidential. After each transaction, all your personal/credit information (credit/debit card number, account number, etc.) shall be completely wiped out from our servers.

## COOKIES

Cookies are small files that a site or its service provider transfers to your computer's hard drive through your web browser which enables the sites or service providers systems to recognize your browser and retain certain information.

Our website also accepts cookies to monitor data traffic and website interaction in order to personalize your web experience.

However, you can remove the acceptance of cookies by changing the settings of your web browser or you can enable warning systems for your computer to alert the sending/ receiving of cookies on your system, according to your preference. This might result in improper functioning or unavailability of certain features on the website. Telephonic contacts for registration and transactions would still remain functional.

## SHARING OF INFORMATION

We do not sell, trade, or otherwise transfer your personally identifiable information to outside parties. This does not include trusted third parties who assist us in operating our website, conducting our business, or servicing you, so long as those parties agree to keep this information confidential. We may also

release your information complies with the law, in order to enforce our site policies, or protect others or our rights, property, or safety.

Occasionally, we may include services or products from trusted third parties, under our discretion. These parties, however, are completely independent of our modes of operation, and thus we assume no responsibility for the activities of these links. Nonetheless, we do aim to protect the integrity of our site to the maximum extent possible.

## California Online Privacy Protection Act

Keeping your privacy on a pedestal, we have arranged for the necessary precautions to be in compliance with the California Online Privacy Protection Act. We therefore shall not distribute any of your personal information to outside parties without your consent.

## Children's Online Privacy Protection Act Compliance

We are also in compliance with the requirements of COPPA (Children's Online Privacy Protection Act) and hence, we do not collect any information from anyone under 13 years of age. Our website, products and services are all directed to students who are at least 13 years old.

## Online Information Privacy

This Privacy Policy set implies to only that information collected through online interactions and does not account for any offline information collection.

## Agreement to the Privacy Policy

By interacting with our website and letting us accept cookies, you agree to our Privacy Policy and comply with our terms, automatically.

## Changes to Privacy Policy

The decision to change the privacy policy (if any), or any part thereof, shall be conducted with the utmost concern. These changes shall be accounted to the current information and user trends, and furthermore, shall also be informed on this website, with complete transparency.
